Thammasat University

Measures and Recommendations on the Prevention and Control of Coronavirus 19 (COVID-19) (Issue 13)

.....

Pursuant to Thammasat Business School's announcement on the Measures and Recommendations for the Prevention and Control of Coronavirus 19 (COVID-19) (Issue 12) given on the 28th of June 2021, effective until the 31st of July 2021.

Since the situation of the coronavirus 2019 (COVID-19) pandemic has not significantly improved and the number of cases of infection has continued to rise. To reduce the possibility of further infection from COVID-19, the faculty would like to extend its announcement on the Measures and Recommendations for the Prevention and Control of Coronavirus 19 (COVID-19) (Issue 8) until the 1st of October 2021.

Therefore, all academic supporting personnel are requested to follow the work from home guidelines given on the 11th of May 2021, which have also been extended until the 1st of October 2021.

Given date 28th August 2021.
