Subject: SMBC Bangkok Branch Scholarship Program for FY2018

Dear President of Thammasat University,

For your background information, Sumitomo Mitsui Banking Corporation (SMBC), Bangkok Branch established scholarship to Thai students since 1962. Later in the year 1995, SMBC head office set up a new scholarship fund under the name SMBC Global Foundation scholarship in order to celebrate 100th anniversary of the bank with initial capital US\$ 10 million.

As you may have noticed, SMBC Global Foundation scholarship in New York discontinued providing scholarship to SMBC Bangkok Branch. However, the Bank realized the scholarships were very important for students to further their education and recognized the long-standing relationship between two countries. As a result, SMBC Bangkok Branch has proposed head office to continue granting scholarships to Thai students by our own fund.

On behalf of SMBC Bangkok Branch, I am pleased to tell you that head office has already approved 6 SMBC Bangkok Branch Scholarships with increased amount to THB40,000 per grant (previously it was US\$1,150 per grant or approximately THB36,000 per grant).

Currently, our Human Resources Officer is in the progress of scholarship document preparation, if you would like to have more information, please don't hesitate to contact us. For more information, please see the terms and conditions and schedule of the scholarship program FY2018 as enclosed.

Sincerely yours,

Yuichi Nishimura
